

Meeting Minutes: UASRA General Assembly April 15, 2020

Participants: 26 - Online Zoom Meeting Start 7:00 | End

Introductions - went around

Welcome: (PRB)- Policy Review Board Update - an email was sent to management but there wasn't an update on every item on it.

- **Package Lockers** - Package Lockers for UV update: If Covid 19 restrictions are lifted in May, installation will most likely begin in June after drawings and full site visit and plans are completed and approved. If Covid 19 restrictions are still in place, the actual install cannot take place until after restrictions are lifted, so it could potentially take longer. At the earliest will be up around June.
 - UCPD - Sean has been delivering packages in Mixed-Used. They're also working on getting a team of people that will deliver packages. They will be wearing masks, gloves etc.
- **Food Pantry/ Refrigerator** - Sepulveda refrigerator is installed working on getting key access. Need volunteers in order to continue the success of the program
- **Internet/Slow** - call housing or Spectrum. If needed they are providing MiFI (Hotspot devices) as a temporary solution
- **Rent Increase, fees, extensions** - \$30 application fee is being refunded, there aren't late fees. Reach out to housing to let them know of your specific hardship. Email Reslife at: reslifeuas@orl.ucla.edu
- **Animal Relief Areas** - Due to the cost this project is being suspended
- **Roommate Policy for-** there aren't any ways around it
- **Reslife Programming mixed housing**

UCPD Report -Office Sean Mizokami: pick up packages promptly. He has been personally moving packages to avoid theft. Continue to file police reports and notify the carriers. If the package is later found then the reports can just be cancelled.

UASRA programming shifts-- Budget reallocations

Biggest cuts:

1. Unit Reps don't have any more funds for events. You can apply for the Community Grant Program.
2. General Programming.
3. Produce Drivers Fund.
4. Food for GA.

Biggest increases:

1. Incentive budget. We want to reward people who went above and beyond all expectations this year.
2. Green Rep Fund. We want to start paying people who are helping out Vivian with the food distribution from Food Cycle LA.

New items:

1. Mutual Aid Fund. If there are neighbors in need of any essential groceries, we want to be able to help them out.

2. Zoom classes

Voting has passed - 20 yes votes

Due to the current crisis: voting on if needed the reserve is less than \$11,000

Motion passed with 20 votes

Letter to Housing - to be signed as from UASRA

Public Comments

Thomas - reached out to housing and let them know about his hardship with being unable to cover the April rent. Josh will link him with the housing director. Housing should be working with residents/students and be understanding of the situation.

There isn't a standardize response and it's stressful for students

7. Other Officers Updates

Garden Coordinator:

Green Coordinator – the need is very big and she appreciates how successful the program has been. Important fact about the success of the program. Starting from 12/15/2019 you guys received 154 deliveries totalling 18,688 lbs of food (14,951 meal equivalent). You have received donations from various businesses, however mainly Peet's Coffe, Le Pain Quotidien, Noah's Bagels, Sprouts, Bristol Farms, and Trader Joe's.

Health, Equity Delegate - Implicit Bias Flyer- <https://www.uasra.org/implicit-bias>

The idea to help residents be aware of what implicit biases are. It provides information how it happens and ways to prevent it. There is also a link to an assessment.
