

## General Assembly Meeting Minutes Jan 20th, 2021

1. Welcome/PRB Update
  - a. Health - All UAS sites
    - i. Larger and bolder signage advising that masks are required especially in shared spaces such as the laundry room and study spaces
      1. Maybe window decals?
      2. Signage on every signpost to spread out signs
    - ii. Add door stoppers on laundry doors to keep open for ventilation
    - iii. More hand sanitizer stations in other high touch areas such as inside pedestrian gates.
  - b. New electric bike racks installed on Sawtelle side
    - i. Coming from campus, not housing
    - ii. Free from transportation
2. UCPD Report
  - a. Package theft/ UCPD Update:
    - i. The best way for UCPD to find thieves is to report stolen packages. They are able to stake out and follow up.
    - ii. They have arrested three package thieves this month
    - iii. Please drop off standing packages for residents who have moved at the UASRA office
3. UAS Management Report
  - a. No representative present
4. Public Comment
  - a. Positon: Keypad card is going to spread covid and not effective because the issue is the doors are not closing, not stolen key cards
  - b. The gates are not closing- sometimes propped open, sometimes broken gates
  - c. The primary way thieves are getting in is by jumping the gate or following someone in
  - d. Request for signage and mass email informing the repercussions of not wearing a mask
