

Meeting Minutes: UASRA General Assembly May 20, 2020

Participants: 19 - Online Zoom Meeting Start 7:05 | End

Welcome: (PRB)- Policy Review Board Update - an email was sent to management but there wasn't an update on every item on it.

- **UCLA Farmers Market** - no cash, credit cards will be accepted.
- **Mask Distribution**- ResLife will have more masks to give out at the Farmers Market
- **Gathering of people** - this is not a police issue, so ResLife is looking at the whole picture as typically the gatherings are associated with a noise complaint.
- **Package Lockers** - possibly going to be installed at each mailbox. July- potential site visits. Access control - private contracted security is delivering an average 40-50 packages per night per side. If thefts aren't being reported then it's difficult to determine what the true numbers are.
- New Building "The Boulevard" for medical students, medical residents.

Questions for Management:

None at the moment

Green Gala Award - many other programs that were nominated but the Food Distribution won PROGRAM OF THE YEAR!

VP - Reminded people about getting in their year in Review as well as the Walkthroughs

VENICE/BARRY - front door of the main door doesn't close. It is on their radar and is being worked on. They currently don't have a timeline.

Public Comments - none

AC Report - Kyle Miller: operating every night and on weekends. Attempting to troubleshoot things on the phone when possible but still are physically going if required. They can facetime to help residents walk through their issues.

ResLife - online learning there is the UCLA Future Planning committee as far as learning. Housing - not sure yet - it needs to go through the Department of Health. Housing is no longer a guarantee for Undergrads.

UV- move ins are happening just not at the same speed. Things are moving slower.

ResLife is working directly with the residents to bring each individual's situation and present that up to housing. Enrollment checks and eligibility checks.

7. Other Officers Update:

Green Coordinator – thank you for the nomination and win. Has been focusing on the Food Pantry and building the systems to keep things going forward.
